

An Original Murder Mystery Production

Let us create, coordinate & produce a personalized evening of entertainment, intrigue & enjoyment.

Framework of the Program:

- We will fax a questionnaire detailing anecdotal information about the guests in attendance
- Upon receiving the questionnaire our Script Writer/Director, Bill McLaughlin, will create "The Story"
- Optional: Script sent for review and approval
- Bill and cast of actors, five in total, arrive at the site well in advance to prepare for the program. Cast includes:
 - The Inspector "Closau" (or Columbo)
 - The Detective, "Sergeant Jack B. Nimble"
 - The Bodyguard, Ivan Bogienk (former KGB)
 - The Maid./Housekeeper/Waitress, Martha Glump
 - The Personal Trainer "Helga"
- Meeting with the "players" from The Company to review details and verify program
- Produce the Mystery Program
- Determine the "Winning Table"

Fee for Services: Call to Discuss

Includes:

- Script creation, direction and production of the program
- Five Professional Actors
- Costumes are included with the exception of any "unusual" requests!

Additional Considerations:

- Performance area of sufficient size where the detectives and the suspects being questioned can be seen by the entire audience.
- Sound System is highly recommended and not included in our fee for services
