

Team Spirit Games

Coordinate, guide, and direct participants through a series of contests and activities requiring a degree of skill, ingenuity, creativity, and imagination. Emphasis shall be placed upon building camaraderie and team spirit in an atmosphere of excitement, hilarity, and boisterously entertaining play.

Your company shall arrange the group into "x" Teams (depending upon the size of your group), in advance. All of the activities will be conducted simultaneously. Teams will engage in an activity for the prescribed amount of time (e.g. 3 minutes), obtain a score and move to the next activity. After all teams have completed the activities, they will take a short break, partake in refreshment, and prepare for the **Lip Synch Contest!** . The Awards Ceremony will follow the Lip Synch Contest where medals will be presented to all participants of the top three teams.
